Tina, (to Tina, my best girlfriend)

Alors, tu who's always there for me,
pense jamais écrire en letter mauvais, mais ce n'est pas vrai. Vous êtes une fille sympa et jolie. Si vous pouvez comprendre moi, peut-être nous pouvons être bon amis. Une bon chance avec votre étude. Kich

Thank you for being there for me. God, this world hurts so fucking much. Keep making me laugh. You're a cute young lady and any guy would be very lucky to have you. Never let anyone tell you differet! Come & visit me this summer. Call me on the telephone I'll always be there for you.

Love you always,

Terry K. I. T.

P.S. You sure ten looks great!

To a sweet, cute, lovable, crappy. I hope we can talk much next year.

Love

Dedicated To

The '88 Bruin is dedicated to the man who, more than any other person, is responsible for the success of our school.

Our principal has been in charge of our faculty and student body for the entire twenty year history of Western Branch High School.

His dedication, hard work, and knowledge has made our school one of the finest in the state of Virginia.

We proudly dedicate the '88 Bruin to "Mr. Western Branch," our principal, Mr. Arthur V. Brandriff.

Mr. Arthur Brandriff

Mr. Brandriff is a strong supporter of the school.

Don't you take my picture!

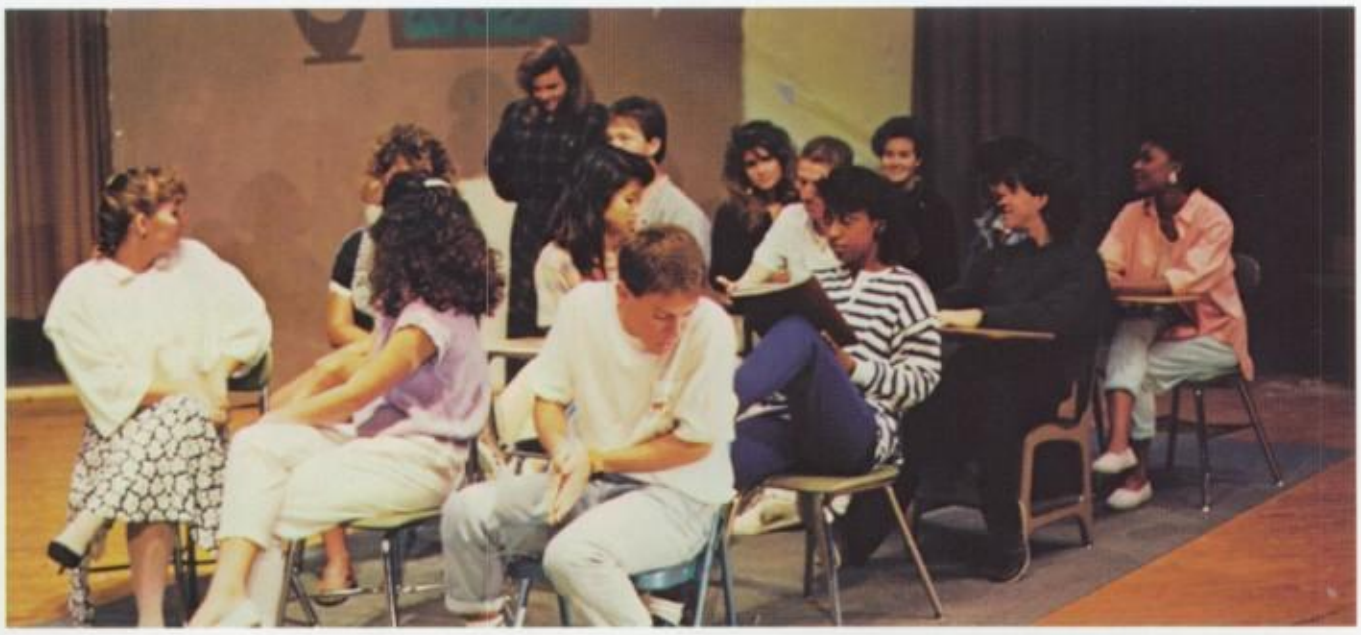
Chris Bueno and Mark Williams wave at their fellow students.

Congratulations, Band! You've had a great year!

Things are up in the air when it comes to the flag.



Good Luck, FAME cast!

Great float, Seniors. It will never leave our memories.

Tonya Holland, Miss Western Branch '86

The Spanish Club sure is spirited.

The band's presence and musical expertise will never fade from our thoughts.

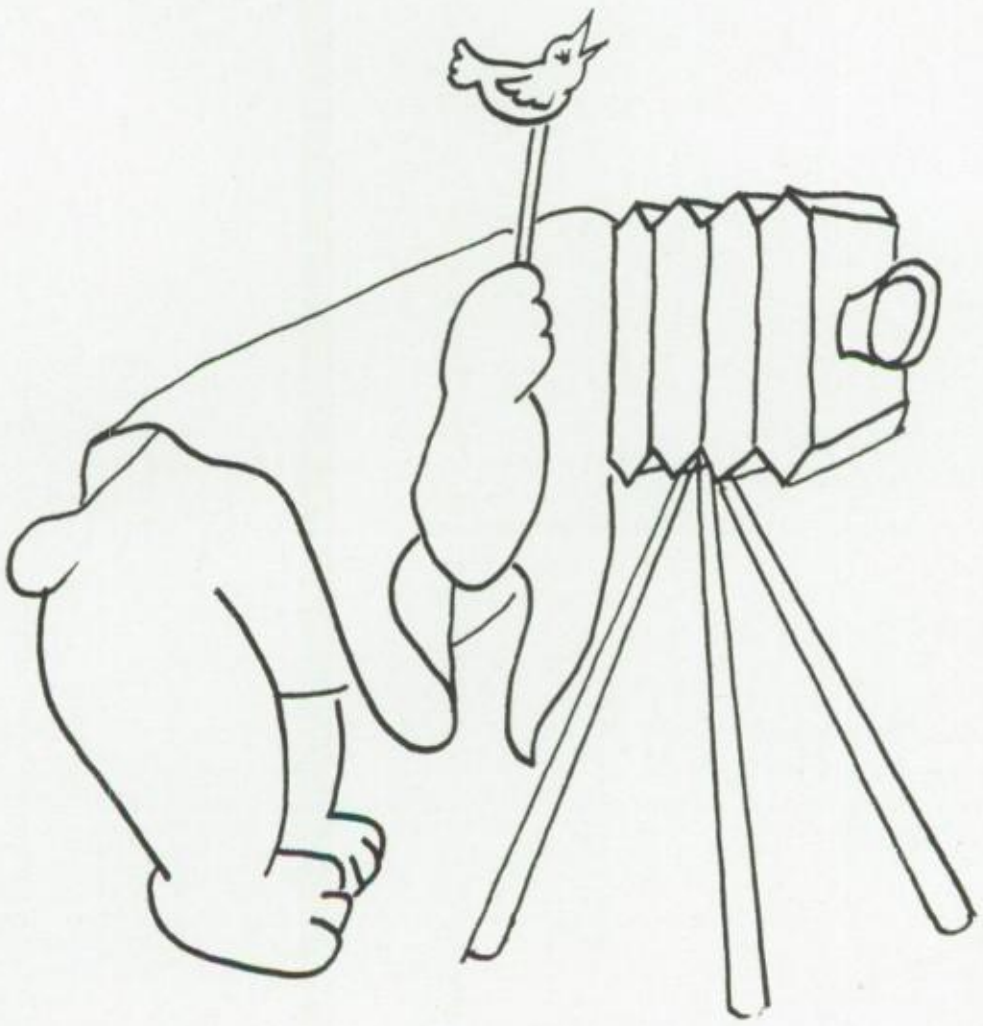
Student Memories



"I have memories of one lady, Chris Ossolinski."
Denni Bueno, Junior

"My fondest memories all come from times spent with James Mowbray, Jamie Dodd and all my friends which are too many to mention. I will never forget you all and the times we spent together."
Jason Armstrong, Senior

"My fondest memories of high school are the Friday nights the four of us spent together, even when there was nothing to do."
Gillian McGovern, Sophomore

"My fondest memory of high school is hanging out with my friends, and my worst is taking gym."
Holly Maxon, Freshman

Senior

"What I'll remember the most is the rainy, cold, '87 prom at the Chamberlain. James and I tried using a big gigantic golf umbrella to sheild the wind and rain coming off the Bay, but that umbrella was useless--it bent backwards and almost blew away! Once we got inside, we enjoyed the prom, but I'll have to say, though, that the best part was the William and Mary frat party down the hall!"
Holly Bernard, Senior

"My most vivid memory of misery was waiting for 4 1/2 hours for Stevie Wonder- cold, wet, sick, and hungry- then being told it was a privilege!"
Shay Rosecrans, Senior

"...Walking into a pep-rally and making those underclassmen stand up."
Andrea Worthington, Senior

"Although the years have past and friends have come and gone, the memories that count are the ones that support the statement, I will never forget you."
Craig Daniel, Senior

"I once was trying to get from one place to another, and did a half-split. Ouch!"
Erica Thomas, Senior

"My fondest memory of Western Branch is when me and the rest of the girls from 'Too Many Fish in the Sea' won the Lip Sync."
Jennifer Malatesta, Senior

"As a senior I look back upon the last four years with great admiration for my friends and myself. We have endured great hardships-school lunches, exams that really count, a rainy prom, tiny lockers, learning to drive in cars made in another decade, and in my case yearbook deadlines! We've made it this far let's keep on going. Good Luck after graduation."
Jeannette Voorhies, Senior

Class Of '88

Left to Right (front): Vice President — Gloria Koo; President — Betsy Moose; Left to Right (back): Secretary — Ginny McArthur; Publicity Director — Marci Barkley; Historian — John Stone; Chaplain — Regina Turner.

"We're the class that's really GREAT! We're the class of '88!!! The Class of '88 began their senior year by selling doughnuts in the summer. It was a successful sale.

We won third place in the homecoming parade with our float "The Jack-in-Box to Box the Tigers!"

They won the senior class sign and showed the school their outstanding class spirit.

The seniors hope that every class, from freshman through senior, had a great year and were very spirited.

We love WBHS.

Ginny McArthur has firmly established herself as an outstanding student in her years at WB. While still maintaining a 3.87 GPA, she participates in a wide variety of activities, including NHS, SCA Executive Board, Secretary of the Senior Class, Monogram Club and Cheering. Ginny is one of only 2 Seniors of the Varsity Cheering Squad that has cheered for Western Branch continuously since Jr. High. She is also the President of the National Art Honor Society and Art Club, and has been very successful with her own art work as well. She placed 3 times in the school art show, and was a 3rd place winner in the 1987 Gramby Mall Art Show. Ginny was also a member of Gallery 1987 and plans to be a member of Gallery 1988. In her future, Ginny would like to pursue a career in Scientific Illustration, specializing in Medical Illustration.

Elise Edwards is indeed an outstanding Senior. Throughout her high school career she has participated in many activities and held many offices. Some of these include being a class officer for 2 years and SCA Vice President for 2 years. Elise was a cheerleader for 3 years, while also participating in the NHS, WBSC, and the Marshalls. While her schedule is busy, Elise still finds time to be active in many community programs. She was awarded the Junior YWCA Outstanding Achievement award and has applied to go to the Phillipines in February with Operation Smile. While her life is busy, Elise is still able to maintain a 4.12 GPA. She remarks that she "will never forget the special bonds that I have formed with friends and teachers..." Elise Edwards is truly a remarkable senior! We wish you luck!!!

Memorable Wrestler

Steve Pitts is crazy about wrestling and has made history in Western Branch that will outlive his career. A leader in our Air Force Junior ROTC program, he is a four year student and the squadron commander. During his Junior year, Steve placed second in the state and this past summer, Pitts attended wrestling camp at the University of Minnesota for 28 days to perfect his skills. His fondest memory of his high school career is winning the "Most Outstanding Athlete" award (1987). What's in the future for Steve Pitts? Well, presently, he is looking for a good college. He shows interest in VMI, Morgan St., William & Mary, and a couple of others. Good Luck, Steve!

LaMar Elliot is an exceptional Senior. He has been a member of the J.V. Football Team, the Drill Team, Color Guard, and a coach for the Powder Puff Team. During his Freshman year, LaMar played the tuba in the Varsity Band and began running with the track team. In LaMar's Sophomore year, he continued with track and added Cross Country to his list of extra-curricular activities of which he ran another 2 years. In the future, LaMar Elliot hopes to pursue a career in Mass Communications. Good Luck, LaMar, we know that you will succeed in anything that you do!

Thomas Colley Eaton has a 3.3 GPA at present, and is a truly memorable Senior. He is active in sports as well as academic clubs. "Dukie," as called by fellow classmates, has been a choir member for a total of 3 years. He has been a member of the Varsity Soccer, Basketball, Football teams, as well as a member of the JV Basketball team. In addition to these team sports, he participated in an edurance sport, Cross Country.

In congruence with these activities, Tommy has been a member of the Latin club, the SCA Executive Board, and the National Honor Society. No wonder he was voted "Best All Around."

"The thing I've enjoyed most about high school was tutoring at the primary. I think they enjoyed it too. It was fun teaching first grade math."
Will Fulk-Junior

"I remember the great fun that I had with the tennis team at the end of its season. We stayed up all hours eating, cruising, and 'decorating'. Love to all those whose benefited from the 'artistic' ability of all the members."
Terri Keilty-Junior

"I will remember coming to WB for the first time, turning sixteen, finishing my research paper, and driving to the beach with friends for the first time."
Bailie Keiter-Junior

"I'll never forget when my art class went to Washington D. C. when I was a Freshman, and some of my friends and I threw firecrackers at a wino lying on a park bench by the Washington Monument, and we took pictures as he jumped and ran all over the place."

"Memories of the great times me and Craig shared together and the love that was always there."

Juniors Rise To The Top

1st row: Lisa Higgins — Vice-President; Denni Buano — President; Ginger Gard — Secretary. 2nd row: Ms. Williams — Sponsor; Susan Whitt — Publicity Director; Karen Sharp — Chaplain; Jan Miller — Historian. Not pictured: Kim Davia — Treasurer.

A Junior's year is always busy. There is so much excitement: anticipating class rings, prom, and becoming a Senior. Homecoming 1987 gave the Juniors a first place float from the Junior High PTA and Stephanie Martir was crowned Maid of Honor. Another important event for the Juniors is the class ring ceremony. On this special day, Juniors realize what they have accomplished and what challenges lie ahead. All year long, the Juniors have stayed busy, selling candles for Christmas, having car washes, selling raffle tickets, and offering Date-a-Match service, all to raise money for Prom '88. The Junior class hopes to make this prom a big success, and to reap the rewards of a year filled with hard work.

JOURNEY INTO CHRISTMAS
MERRY CHRISTMAS
DON'T FORGET YOUR STUDYING OVER THE CHRISTMAS HOLIDAYS

Sophomore Memories

"My fondest memory so far at WBHS is getting to be the mascot (Barney) at the football games and having all the little kids running up and hugging me."
Rachel Sawyer-Sophomore

"I wanted to meet this guy. He was a senior last year. I finally got the chance to meet him. The whole time that I was talking to him, he and I had eye to eye contact. I'll never forget this because he was the most popular and cutest guy around the school."
Michelle Gibbs-Sophomore

"My most memorable event was when I was going with (a certain guy) and he treated me wrong, but things are all right now cause I have someone better."
Tonya Debrew-sophomore

"The one memory that sticks in my mind is the choir trip we took last year. It seems like our choir, like the rest of the clubs or sports teams, really came together as a family. When we won our gold medal, we did it as a team, and we couldn't have done it without W.B."
Steve Bruce-Sophomore

"I guess the event that sticks in my mind the best, happened during the J.V. game vs. Deep Creek... I was tackled face-down on the field with my head ringing, I staggered to my feet & played the rest of the game, but I still had a headache when I went to bed that night..."
Gray Lipford-Sophomore

"I'll never forget this year in French when we had a cake. Stacy Swydeck made it and the recipe called for 2 tablespoons of rum, and she put 2 cups of rum."
Kim McLendon-Sophomore

"It seems like only yesterday when I was at Lynnhaven Mall, eyeing this "hot" looking girl, when she came up to me. She gave me her phone number, but I didn't think it would last. Now that I've been going out with Jeanie for over a year, I know I really love her."
Marc Langley-Sophomore

Sophomores Rise Above the Rest!

The 1987-88 school year has been one to remember for the sophomore class. The sophomores took their class to the top with hard work, unity, and dedication. Sophomore spirit was displayed during the numerous pep rallies and especially for Homecoming '87. The class of '90 took First Place with the "Spirit Chain," and Second Place with their class sign. The theme of their float was "Circus of the Sophomores."

The Sophomore Class had several fund raising events such as car washes, raffles, and the selling of coupon books. The success of the class of '90 has been proven once again this school year.

"We're the class that's proud and mighty. We're the Class of 1990."

Although Anna Dwyer is a Sophomore, she has already accomplished many goals. Gymnastics seems to be her main accomplishment-winning all around and all event District Champion last year. Then, at regionals, she placed 5th on the bars and 3rd on the vault. Next, she went on to the state competition, and picked up 5th place on the bars. Anna has even traveled to Moscow, USSR for training-now that's dedication!

Anna is also involved in several clubs such as the AFS, French Club, and the Monogram Club.

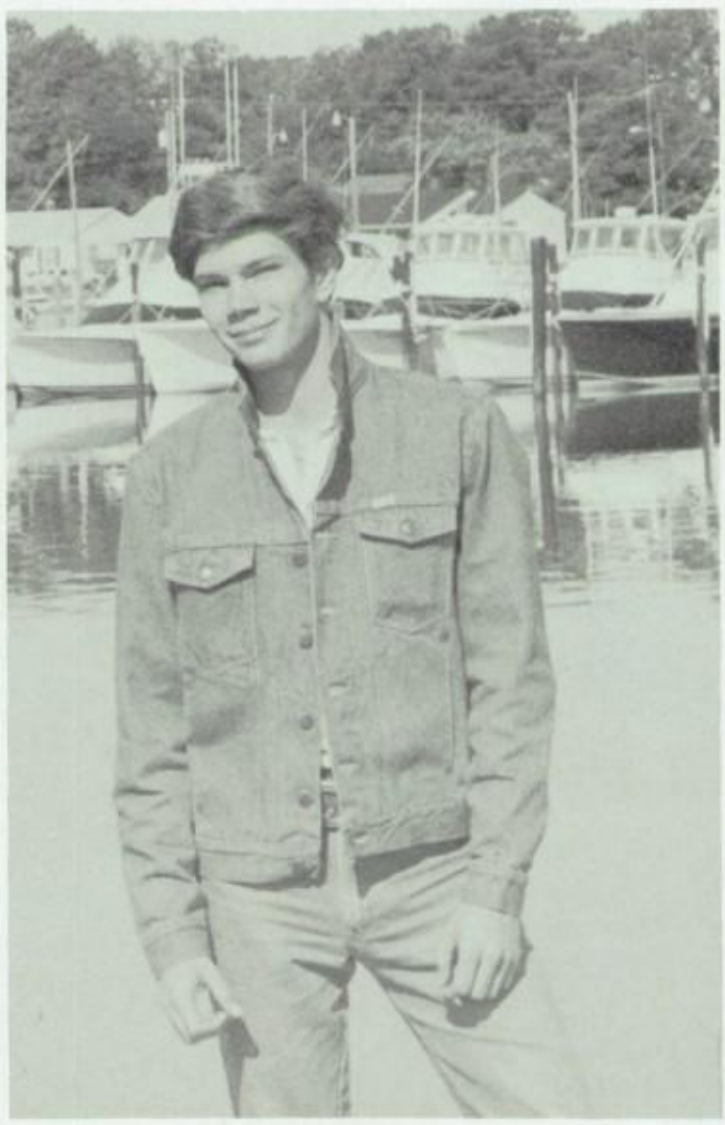
David Drew Merrill
November 5, 1969 - October 16, 1987
David is remembered fondly by his friendliness, kindness, and support, and will be sorely missed by his family, friends, and fellow students here at WBHS. Although David's stay with us at WBHS was short, his memory will be long lived in our hearts.



We think of you in silence
And make no outward show
But what it meant to lose you
No one will ever know.
You wished no one farewell
Nor even said good-bye,
You were gone before we knew it
And only God knows why.
A golden heart stopped beating
With tender hands at rest,
God broke our hearts to prove it
He only takes the best.
To some you may be forgotten
To others a part of the past
But to those of us who loved you dearly
Your memories will always last.

Ricky Miller, Freshman

"Memories...from the first nine weeks made me remember that I need to start studying more."
Stephen Mosely, Freshman

"Well, I can't just name one memory during my freshman year, so I'll name a few. It's been great talking and laughing with my friends! Winning first for visual contest was shocking to me. A funny thing that happened, or at least I thought it was funny, was when some of my friends stood up at the Lip Sync contest and yelled out "Ahh-Ahh-Eeh-Eeh-Tuki-Tuki" to the host from Z-104. Going to all the football games and dances was fun. Watching the play FAME was, well as Mrs Watford would say, 'CULTURAL'. See ya this summer!

What School Related Events Happened To You In . . . 1968?

BILL TROTTER: ". . . rejoiced at being a junior — at last; continued celebrating the success of our state champ football team (Granby, '67)."
MOVANE SMITH: "I was an English teacher at Churchland High."
EDWARD WELSH: "I was a D.E. teacher."
CAROLYN MATTHEWS: "Richard Nixon came to our high school gym to address the student body in Anderson, Indiana."
SUSAN COMER: ". . . my class was split, half of us remaining at Churchland and half becoming the sophomore class of the new WBHS."
KAY SYKES: "Martin Luther King was shot as I was teaching a unit on Lincoln at Deep Creek High. Teachers and students had to leave."
JUDITH KATZ: "I was teaching German in Churchland High and WBHS,and thus, I became the only link between the two 'warring' factions."
JERRY GAINES: ". . . entering VPI as a freshman, and as the first black scholarship athlete there."
BILL KNOWLES: ". . . a group of teachers and coaches from Churchland High who had decided to help WBHS met with some CHS students who would be attending WB, and we chose the school mascot, the BRUIN, selected the school colors, navy blue and gold, and selected the first cheerleading squad."
MIKE DONOVAN: "I was entering Gar-field High School in northern Virginia."
PATRICIA ARCHIBALD: "I was a freshman at Wilson High School."
ANNE DICKINSON: "I was a freshman at Mary Washington College."
TERRY WILLIAMS: "As a senior at F.W. Cox High, I spent the year in . . . debate with my government teacher about the '68 presidential election. Sadly, the day before we graduated, an assassin took the life of Robert F. Kennedy . . ."

The Principal's Memorable Message

Mr. Arthur V. Brandriff
Principal

The Bruin '88 yearbook is the twentieth in the history of Western Branch High School. It is tangible evidence of the highlights, memorable events, and activities that occurred throughout the 1987-88 school year.

During the past twenty years, Western Branch High School has been marked by extreme growth. As an example, in 1968, when the school opened Western Branch High School was one of the smallest high schools in the Tidewater area, and now we are one of the largest. The '88 Bruin is also significantly larger than our first yearbook — the '69 Bruin. Our theme for this school year is "Doing My Best at Western Branch High School." This slogan has been printed in class rooms and in other observable areas throughout the building and is a reminder to all associated with our school to do their best in all of their endeavors. Hopefully, at the end of the year, when the yearbooks are distributed, we can look back and feel that we have accomplished this goal and done our best.

I am very much aware of the dedication and countless hours that go into the production of the yearbook. I commend the '88 Bruin staff, sponsor, and teachers who have made the yearbook a success. There is no group in our school who works any harder than our yearbook staff, and their efforts are appreciated by all.

Michael Brittle, Freshman

"I remember the first game that I scored a touchdown against Indian River in 1987."
Joseph Battle, Freshman

"When I went to the W.B. vs. Churchland game something funny happened. We had a football and were kicking it around. My friend went to kick the ball and when he did, his shoe flew off and hit a parent in the back of the head."
Chris Stephens, Sophomore

"I will never forget I made 7 touchdowns out of all the games."
O.W.

"I'll never forget the time Todd Wieters and Coach Peterson got into it on the tee off area on the golf course. I forgot what started it, but Todd was joking, as he always does, and Coach Peterson got sick of it and told Todd to shut-up and Todd doesn't take anything from anybody. The Coach started tapping Todd with his golf club and Todd casually pushed it away and walked off."

WB Varsity Cheerleaders

Her short skimpy skirt rides up the back of her body; her hair bounces boppishly on top of her head, and a sick fakey smile is plastered on her face.

When someone says "cheerleader," this is the picture that most seem to visualize in their minds. What a cheerleader really represents goes much farther than those three ideas. She represents spirit, competition, pride, and responsibility.

Many Western Branch students do no realize the hard work and dedication a Varsity cheerleader puts forth. She must practice everyday after school, not just during one season, but for the entire year, including those precious summer days.

The summer is spent agonizing over camp and preparing for the year to come. These are the questions they must ponder: Will the student body raise enough spirit to boost the ambition of the football team? Will the cheerleader finally be recognized as an athlete? The answers are unpredictable; they are not governed by the cheerleader, but by the student body as a whole. So, in actuality, cheerleaders are not only the ones in short skirts, but they are also students that roam the halls of Western Branch everyday, 5 days a week, 180 days a year.

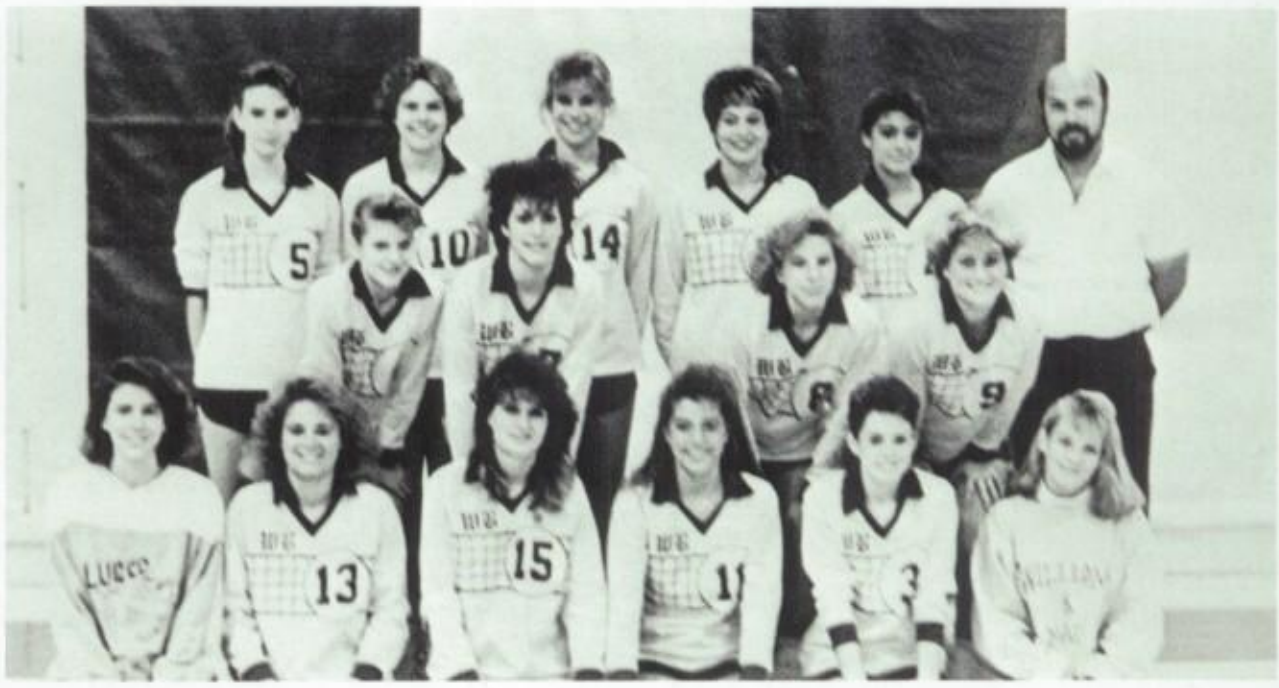
Volleyball 1988

The 1987 Varsity Volleyball Team began their season with a victory over Indian River (3-0). This winning streak continued throughout the season and District Tournament when the Lady Bruins dominated all those who opposed them. Among those who contributed to the success of the team were Laurel Tanner, Angie Murden, Chris Bueno, Lisa Mueller, Kendra Karnath, and Laura King. Honorable mention goes to Jenny Cole, Fran Wheatly, and Karen Perry. We would like to congratulate the girls on a winning season.



Bottom row (l to r): Tiffany Myers, Sherry Gustavson, Lisa Mueller, Lisa Higgins, Karen Perry, Amy Lutz. Middle row (l to r): Laura King, Donna Meloney, Fran Wheatly, Kendra Karnath. Top row (l to r): Jenny Cole, Angie Murden, Amy Tomlin, Laurel Tanner, Chris Bueno, Coach Stanko.

The mathematics classrooms are filled with students enhancing their mathematical knowledge and skills. The mathematics department offers a range of courses to accommodate the unenthused student, as well as the mathematically gifted student. These courses include advanced placement calculus and advanced placement computer science (for the ambitious students) and consumer mathematics (for students not going beyond minimums). Our teachers, veterans with at least two years experience, are dedicated and willing to extend themselves so that students obtain the mathematics education that is to set them in good stead as they pursue their diverse interests after leaving Western Branch High.

English Department

Jennie Orgain and Maridith Hozier anxiously await another exciting discussion about British literature.

English class is a basic part of everyone's day at WBHS. Public Speaking, Composition, American, British and World Literature are some of the areas that are studied.

The skills that are acquired and taught in the English program are vital for the future. A person's ability to speak, read, and write often is used as a measure of intelligence. English skills are needed for job and college applications and for success and advancement in chosen careers.

Foreign Language

Ms. Clark's classroom has a Spanish atmosphere.

Ms. Degnan has her class under a spell.

The faculty of the Foreign language department works closely together to develop in their students an appreciation of foreign cultures, respect for a different way of life, and ability and desire to communicate with people in other countries, in their own languages.

About 60% of the Student body is enrolled in the F.L. program, making it the largest elective program in the school, as well as the largest F.L. program in the city of Chesapeake.

Business Education

Angie, Miranda, Joe, and Stacey concentrate on their typing.

The Business Education program provides basic business education and occupational preparation for students entering the business world. Typing, Computer Concepts, Accounting, Word Processing, Office Technology, and Shorthand are some of the courses that are offered. Cooperative Office Education (COE) gives students the opportunity for supervised, on-the-job training.

Vocational Education

The Vocational Department strives to provide WBHS students with training in the fields of Technology and Industry. Through this training, students can explore various career opportunities, develop various skills, and prepare for the world of work. The Vocational Department maintains an up-to-date curriculum to meet the ever-changing needs of students and society.

The 200th birthday of the Constitution of the United States on October 17 commemorated the bonding of peoples to secure personal liberty against the forces of anarchy and despotism. We were reminded of what defines the community which is our nation. It reaches out to all of us who are among its newest members, urging us to prepare to participate. For should we fail to govern ourselves, a government would impose itself upon us, and we would be as children again.

Industrial Arts

The Industrial Arts program works to introduce students to the aspects of industry and technology. Students work to discover and improve their skills, and to learn to operate and safely use various tools and equipment. Other goals of the program are to help develop hobbies, safe working habits, creativity, pride, and cooperation.

Health, Physical Education & Driver Education Department

The Health and Physical Education and Driver's Education department offer classes to freshmen and sophomores. Time is spent in the classroom studying health and driver's education as well as in gym where students model yellow and blue gym suits. Sophomores enjoy the excitement of range classes which offer time behind the wheel. WBHS is fortunate to have experienced staff members that work to help students maintain a sound mind and body.

Stephen Houston, Kristin Shoaf, Tammy Bays, Doug Zerkel, Greg Tomso, and Jennifer Stallings warm up before the pep rally.

Students begin to prepare for the visual and performing arts in the Fine Arts Department. Singing, playing musical instruments, and performing on stage are activities in which these talented students participate. Hard work, determination, and practice are necessary to be successful. Many students can obtain an appreciation for the arts through this active program.

Governor's Magnet School-It Takes Talent

The Governor's Magnet School of the Arts is a new project of the Virginia School Systems. From each school, students audition for the art classes of music, drama, visual arts and dance. The students are taken from public schools as far as Suffolk, Isle of Wright, to Virginia Beach Schools. The first year students are more or less guinea pigs to this new program.

Western Branch has nine students participating in the Magnet School of the Arts; these students are: Andy and Bradley from the Drama Department; David Keitz and Bryan Medlin from the Music Department; Stacey, Susan, and Tiffany from the Modern Dance Department, and Kristen and Jennifer Keidner from the Ballet Department. These students participate in academic activities at W. B. through third and fourth bell, then are bussed to O.D.U., N.S.U., and Tidewater Ballet Academy. They return to the high school at about 6:00. Few extracurricular activities, sleep short Friday nights, and few social activities on weekends when rehearsals are not required are sacrifices made by these students, but there is a cost for any dream, and a price for every love-especially when it's the arts!

"I was in the 9th grade and we were doing a fashion show in French class. My particular group was from the 50's. I had on pedal pushers and this white shirt, and bright red lipstick. I was walking down the rows and I blew a bubble and my gum flew across the room. Everyone told me I couldn't walk and chew gum."
Amy Coop
Sophomore

"I remember building the Senior float, and I drove it."
Brett Harris
Senior

"I think everyone remembers their first day as a freshman in high school and trying not to get initiated."
Mike Roe
Junior

"My first day in Ms. Archibald's class was a 'trip'. I walked in and told her I was a new student and she said, "Yeah, you look like a new student." From then on, the class was funny, even though I was embarrassed at first. I'll never forget this day."
Ivan Brown
Sophomore

"In the fall of this year, the Amici Club held their annual "hell night". All of the new and old members went out together and had to do certain things. All of the new members were assigned to a club officer. I was a new member and I had to run across the Churchland Bridge in a rather old, I mean ancient, grandma bikini. It was pretty embarrassing, especially when there were about 6,000 cars on the bridge honking their horns and yelling at us. The only thing I can say is that "hell night" was a night to remember."
Susie Dodd
Sophomore

"The memories of the senior year that are so enjoyable are the privileges of having the underclassmen rise for you at assemblies and choosing classes first in the arena."
Raymond Cooper
Senior

"I remember the day the drill team was in the Christmas Parade, and the judges weren't on the side I thought they'd be on. It meant that my sister and I and another girl had to lead the parade behind the color guard. Boy, was I scared, but we made second place so I was happy!"
Karen Hinton
Freshman

"I will never forget October 16, 1987. That was the day David Merrill died. I think that the driver should have died along with David. He took David's life so, his life should be taken too! David is sorely missed and I will never forget him!"
Kim Holmgren
Sophomore

Student Life

"The best memories are the memories of Nags Head on beach week. You encounter so many memories down there of fun, good times and bad times. The memories will never die of the laughter, fun, and friendships you have between the people you meet that will be there for you when you need them. You count the memories by friends, not by years."
Christian Paulk
Junior

"I remember when Ben Collins was forced to get on top of the Coke machine and em-'barrass' himself."

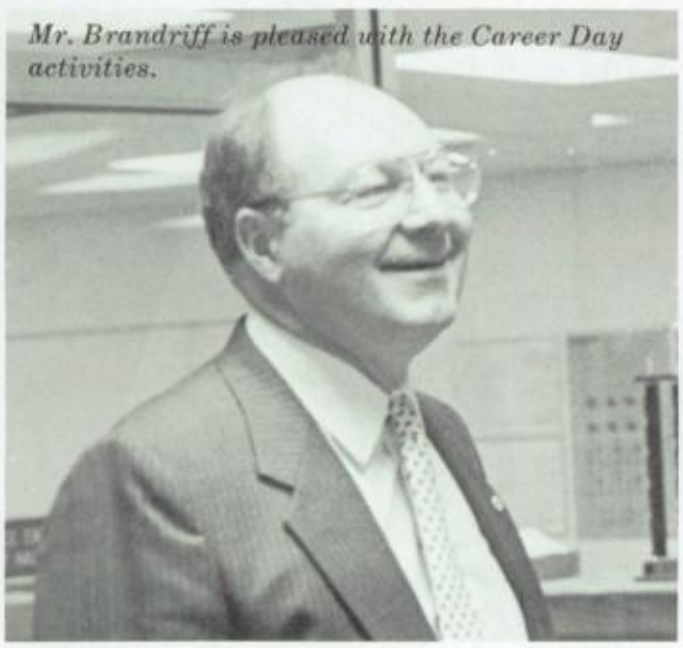
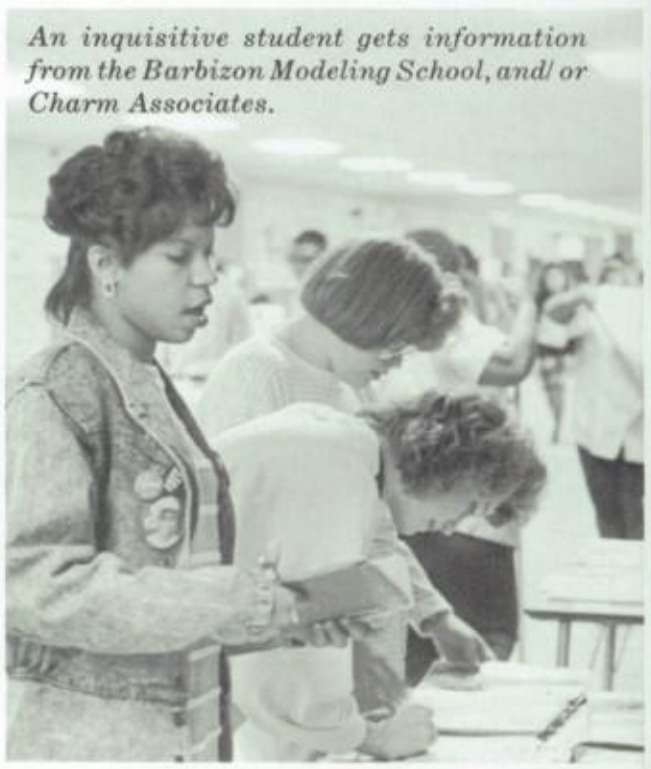
The Virginia Power representative observes the Career Day crowd.



Mr. Brandriff is pleased with the Career Day activities.

Love your hat, but will it make me cook better?

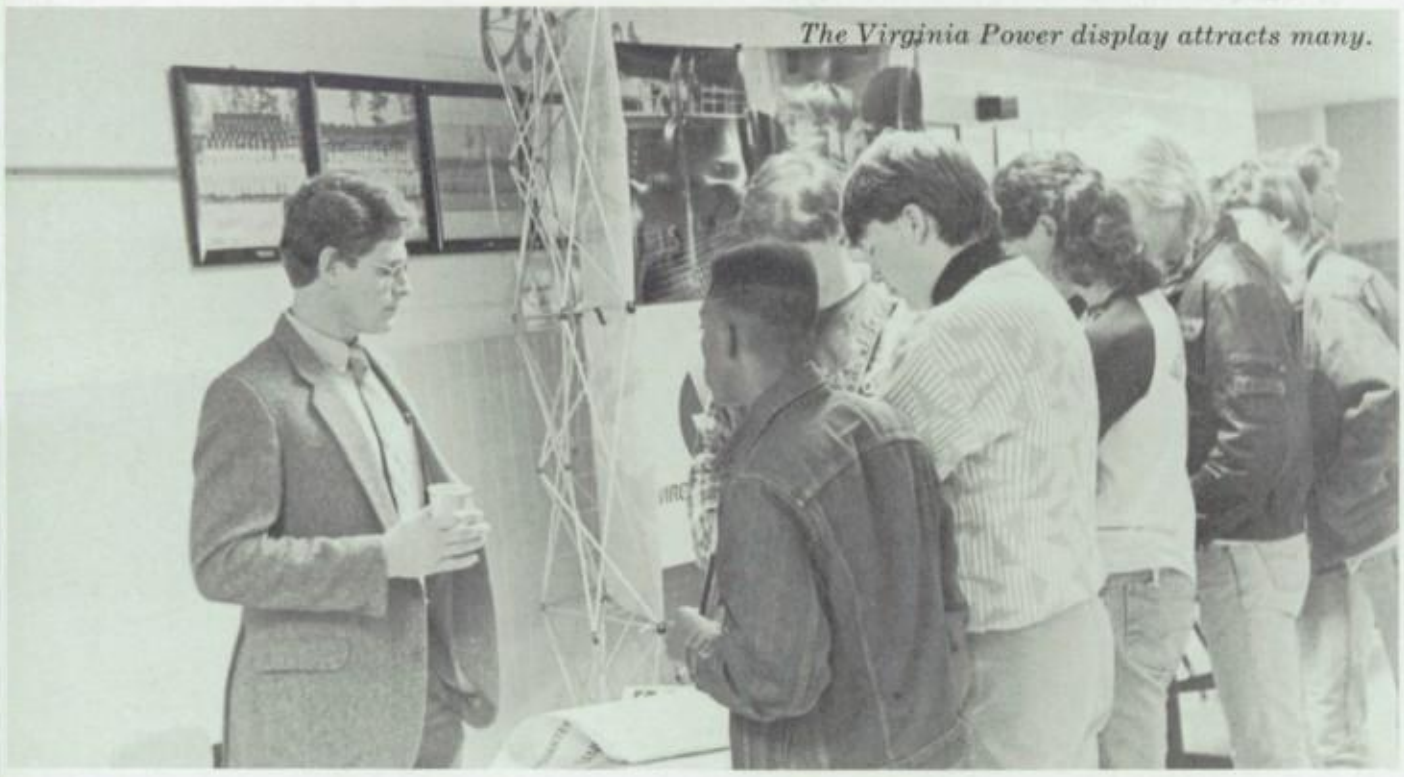


An inquisitive student gets information from the Barbizon Modeling School, and/ or Charm Associates.

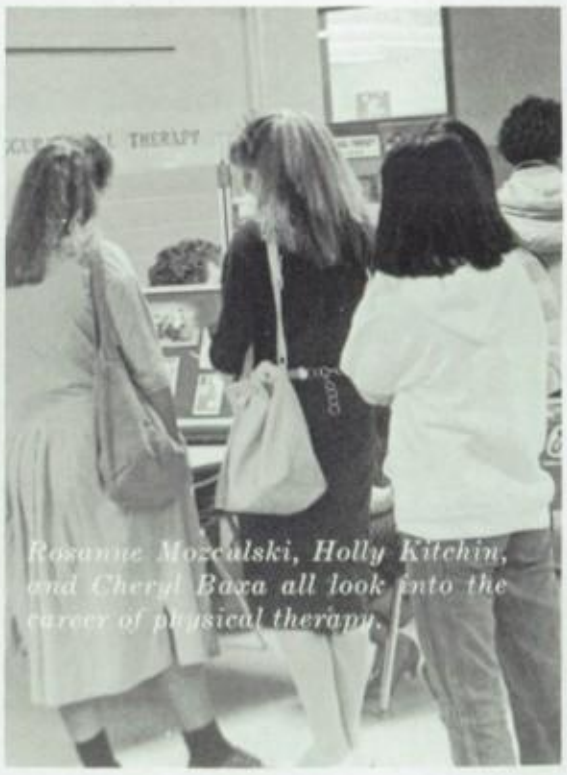
The WB fellas look intently at one of over sixty of the exhibits.

Sean Hernandez looks in awe at what is happening during Career Day.

Vacation anyone?



The Virginia Power display attracts many.

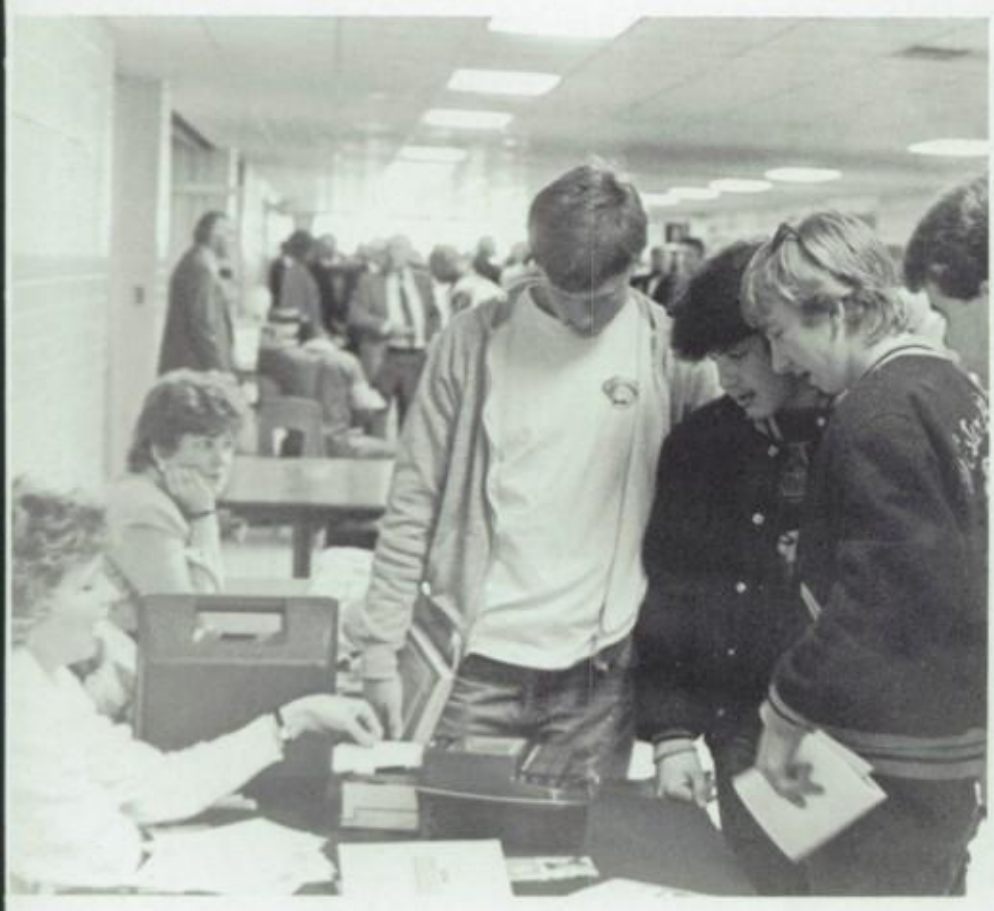


Rosanne Mozculski, Holly Kitchin, and Cheryl Baxa all look into the career of physical therapy.

Darrius Chittum asks an intelligent question of one of the Career Day representatives.

Dr. Tompkins gives directions for a smooth flowing career day. (Dr. T., is that Dr. T. behind you?)

Casey Martin, Dr. Duane Hardingt, and Cale Stuckenschneider enjoy each other's company during Career Day.



Wayne Timberlake, Chris Arnett, and Ian Barber inquire about a career opportunity.

Kevin Smith blows a bubble as LeAnne, Kim, and Susan saunter around the career tables.

John Denius and Amy Manwarren show an interest in computers.

Operation Smile is a medical mission that is quickly gaining renown worldwide for placing smiles on the faces of children. Physically, the many and talented plastic surgeons and, just as important, their expert medical team, fix the cleft lips and palates of children in Third World countries. But their efforts and caring do not stop here.

Mainly with Happy Club involvement, these children's whole lives are changed. The Happy Clubs of Hampton roads have helped to build schools and collect school supplies, have purchased medical equipment to help underdeveloped nations provide immunizations, and have provided basic health care knowledge that will hopefully help reduce unnecessary deaths from dehydration, immunizable diseases, and malnutrition.

The Happy Club's purpose is best summed up by the phrase, "Kids helping kids help kids." By working with the Happy Club, a student gets — a new self worth in two ways. First, the student appreciates the way of life here at Western Branch, and in the United States as he learns about the Third World, and the way the other 80 percent of the world lives. Second, a student gains a personal satisfaction when he sees that efforts and ideas thought up by kids, and done by kids can really make a difference in our world.

I sincerely hope the W B Happy Club, up to this time, fostered by the SCA, will grow into a model service club, and continue its worthy efforts, taking a leading role as the Happy Club grows worldwide. — Mike Maleski

S M I L E

As an AHC member, I had the opportunity to be a part of the '88 mission to the Philippines. I spent two weeks in Manila where I worked with missionaries from other countries at Smokey Mountain, the active garbage dump that is home for 10,000 people. I also worked at a small charity hospital with the therapists, nurses, and plastic surgeons. The experience of being in a foreign country was an education in itself and I learned about the customs, culture and people of the Philippines. — Elise Edwards

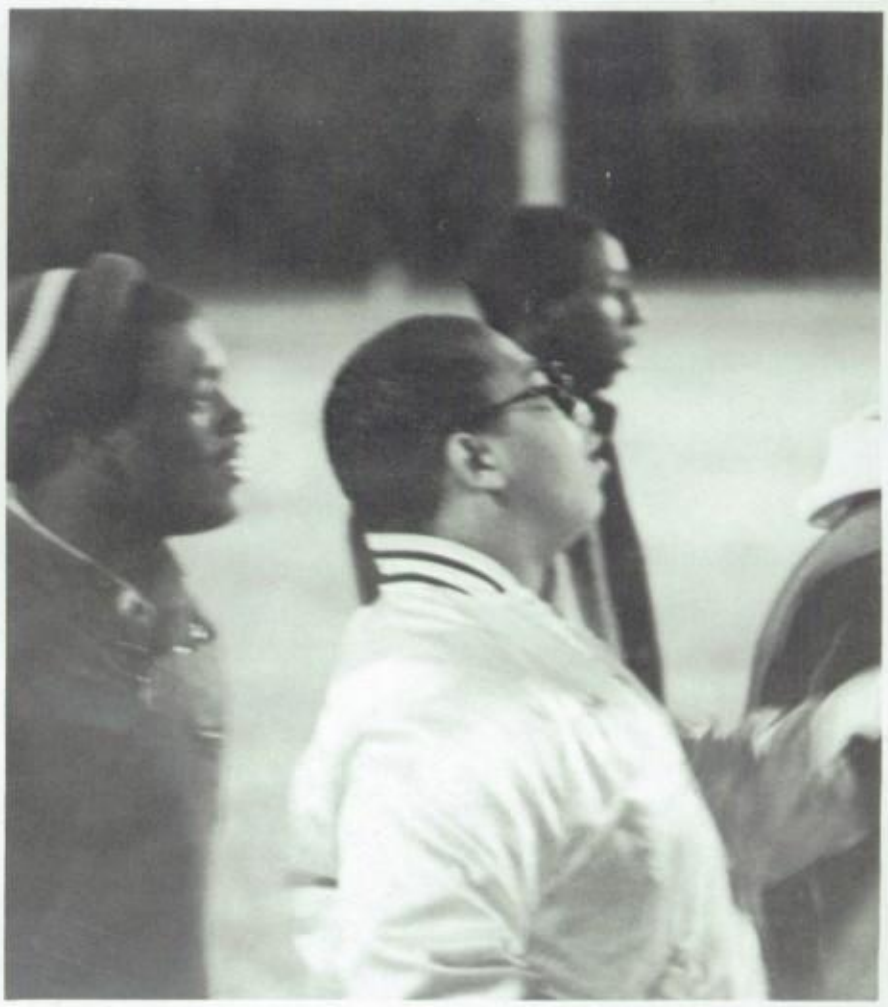
Bruin girls prepare for battle.

Freshman and Senior girls huddle up.



Marcus Hurdle, Jerrell Smith, Edwin Parker, and Steve Young watch as the girls play an explosive game.

The Sophomore-Junior girls take a final bow after defeating the Freshman-Senior team with a score of 6-2. Both teams played an exciting game filled with both fun and sweat. Thanks goes to the coaches of both teams who gave their time and energy to support the Powder Puff '87. All who attended the 1987 Powder Puff game left feeling exhilarated.

AIR FORCE

ROTC

Gateway to a great way of life.

A CHANCE TO EXCEL

Maybe you just have a passing interest in manned flight . . . but you want to learn more. Or maybe your interest in the Air Force is as great as any interest you've ever had.

Whatever your situation, Air Force Jr. ROTC has something for you. You can learn about leadership and management. You can learn about aerospace principles, flight and navigation, military aviation, and the aerospace industries, to name just a few subjects.

Air Force Junior ROTC is a place for a special kind of person. One willing to take part in public service and extracurricular activities. One who wants to learn, to lead and to contribute.

If this sounds good to you, and your school offers Air Force Junior ROTC, check into it today. You'll be glad you took the time to find another place where you can excel.

AIR FORCE JUNIOR ROTC

WESTERN BRANCH HIGH SCHOOL OFFERS AIR FORCE JUNIOR ROTC AS AN ELECTIVE COURSE FOR ANY STUDENT IN GRADES 9 THRU 12.

Tina,

Well its been fun for me. Now I have gone on to bigger and better things. You still in high school and young (Ha!Ha!) Well I know you will be in high school without me. I know it will be tough. But you can do it. I'll come and visit you. I'll write you when I'm away at college. You better write back. You are a real good friend and mine and you always will be. Stay out of trouble. If you do anything I would Take care. Write me!
do. '88 Friends forever

Tina,
Well, I don't know
what to write. So
I will write nothing.
(go to the front)

Love,
Tina Bellard

Becky, I got the wrong page to myself!
Well we survived 7th and 8th Schools
Next year JUNIORS!!!

Tina, we have known each other ever since school started. We have had a lot of fun during the years. Good luck as a junior, keep in touch over the summer. Hope to see you.

Tina,
I haven't seen you much this year, I hope to see you more next year. Have a great summer.
Jenny

Tina,
I'm sorry you had to listen to Mr. Argyle's irrational ideas. Have fun next year
Adam

Tina,
I'm glad you are different. Keep being yourself. Have a great summer.

Tina, I'm glad I met you this year, even though it's a girl I just met this year, who's been my company in gym. Have a good summer, eat a sweet, and see ya next year. David

Tina,
I want to be the first to sign your cast!

Tina,
I'm glad we had a class together this year. Have a great summer.

To Tiney,
A really swell girl
who I will not forget
while I'm in the
summer. Don't worry
your sister will take care
of that for me. I'll
get you next year.
Hope you have a
wonderful summer.
I + I will visit
four times
and I'll
write you
Dr. Grave

Tina, I've been different knowing your personality. (Mainly because I'm different. There are normal people (Thats you) & weird people, and there's me.) Any way, The beholder has spoken once again. Have a great summer. And Keep in touch.

Hi Tina

Guess what, that's
I don't know, (That's Dumb I know)
why I asked you. Oh well. Have a great summer.
Be sure a get a great tan, sunburn,
or whatever tan you go for. See ya
